Any student who graduates from this school is entitled to attend any institution of higher learning in the state.

Our standards are high, and it is our belief that the higher the standards, the better the quality of education.

## **Mission Statement:**

We of the Eagletown Public Schools believe that all children can learn and develop to their potential when they are placed in the proper educational environment. It is the intent of the school district to provide a structure and climate which promotes: academic achievement, a pride in physical well-being, and a management style which includes participation of community, staff, and students.

## **Equal Education Opportunity Policy:**

Eagletown School in compliance with Title VI of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972, does not discriminate on the basis of race, color, national origin, sex, qualified handicap or disability in any of its policies, practices or procedures. ## **Family Educational Rights and Privacy Act (FERPA):**

### **Notification of Rights under FERPA For Elementary and Secondary Institutions**

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that affords parents and “eligible students” over 18 years of age certain rights with respect to their child’s education records. They are:

- **The right to inspect and review the child's education records within 45 days from the day the school district receives a request for access.**

**Parents or eligible students must submit a written request to the school principal or appropriate school official that identifies the record(s) they wish to inspect. This school administrator will make arrangements for access to the education records and will notify the parent or eligible student of the time and place where these records may be inspected.**

- **The right to request correction of the child's education records that the parent or eligible student believes is inaccurate, misleading, or otherwise in violation of the child's privacy rights.**

**Parents or eligible students may ask the school district to amend a record they believe is inaccurate, misleading, or otherwise in violation of the child's privacy rights. They must submit a written request to the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading or otherwise in violation of the child's privacy rights.**

**If the school district decides not to make change in the record as requested, the school district must notify the parent or eligible student of the decision and advise them of their right to a formal hearing regarding the request for correction. Additional information about hearing procedures will be provided to the parent or eligible student at the time of this notification.**

- **The right to consent to disclosures of personally identifiable information contained in the child's education records, except to the extent that FERPA authorizes disclosure without consent (34 CFR § 99.31).**

**School officials with legitimate educational interests are permitted disclosure without consent. A school official is a person employed by the school district as an administrator, supervisor, instructor, or support staff member, including health or medical staff and law enforcement unit personnel; a person serving on the school board; a person or company with whom the school district has contracted to perform a special task, such as an attorney, auditor, medical consultant or therapists, or a parent or student serving on an official committee, such as a**

**disciplinary or grievance committee, or assisting another school official in performing his or her tasks.**

**A school official has a legitimate educational interest if that official needs to review an education record in order to fulfill his or her professional responsibility.**

**Upon request, the school district will disclose education records without consent to officials of another school district in which a student seeks or intends to enroll.**

**(NOTE: FERPA requires a school district to state in its annual notification that it intends to forward records on request.) School districts may disclose, without consent, “directory” information; however, school districts must inform parents and eligible students about directory information, allowing them a reasonable amount of time to request that the school not disclose directory information about that child.**

**School districts must notify parents and eligible student annually of their rights under FERPA by means of a special letter, inclusion in a Parent/Teacher Association (PTA) bulletin, student handbook, and/or other means left to the discretion of each school district.**

- **The right to file a complaint with United States Department of Education concerning alleged failures by the school district to comply with requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, United States Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-5920.**

- Must make the Superintendent's (all A's) or Principal's (A's and B's) Honor Roll.
- Must have no more than 7 days of absence each semester. Three tardies will equal (1) absence. If a student misses more than 7 days, the parent may request to meet with a committee of teachers to justify the number of days missed. The committee's decision will be final.

## **Graduation**

**The commencement exercise is one the oldest traditions of our nation. It is a formal academic program. It is not an athletic event or a contest. The commencement is a solemn, traditional occasion. Unnecessary noise and disruptions during the presentation of individual graduates delays the ceremony and takes away from honors that each graduate is entitled. No decorations allowed on caps and/or gowns or any distracting accessory other than the approved graduation attire.**

**We respectfully ask that you observe the dignity of the ceremony and help us to make this one of the most significant days in the life of every graduate from Eagletown High School.**

**As stated above, commencement is a solemn occasion. It is there for all parents and relatives to enjoy. It is not a showcase for some individual to show off for the last time. The graduates will not make any gestures on stage or do anything that takes away from the ceremony. Any display that takes away from the ceremony will result in forty (40) hours of community service before the graduate receives his/her diploma. If any senior owes for anything, or still has school equipment, he/she will not receive their diploma.**

## **National Honor Society (NHS)**

The National Honor Society is the front-runner of organizations and societies that promote appropriate recognition for students who reflect outstanding accomplishments in the areas of academics, character, leadership, and service. To be eligible for membership in the NHS, students must have a cumulative grade point average of 3.2. All classes that a student has taken will be figured into the grade point average. A three-member faculty council screens eligible members of the sophomore, junior, and senior classes. Selection is then based upon leadership, character, and service. Leadership is based on the student's involvement in community or school activities, or election to an office. To meet the service requirement, participation of a student in service projects of the school and community is considered. Character is measured in terms of integrity, behavior, ethics, and cooperation with both student and faculty. NHS members serve one another and the community with the behavior that is honorable, responsible, and generous to others.

## **College Entrance Requirements**

All students who plan to attend college should register and start taking the ACT test early in high school. The ACT test is required for admission to most schools in this region and state. All medication must be kept in the school office. Students may not carry medication with them.**

Further, the Board is aware of Oklahoma Law House Bill No. 1103 that prohibits the possession of tobacco by minors. Also, it prohibits the furnishing of cigarettes, cigarette papers, cigars, snuff, chewing tobacco, or any other form of tobacco products to a minor by any means. Therefore, the Eagletown Board of Education has adopted the following policy:**

**A student shall not possess, use, sell, or transmit tobacco or tobacco products of any form, including vapor cigarettes, electronic cigarettes, dab pens or any other device designed to deliver tobacco or other banned substances while on the School campus. This applies to students representing school in any school-sponsored activity.**

## **Emergency Drills**

**Emergency drills will be held frequently to be sure that students know and understand the proper procedure. A fire drill will be signaled by three short bells. Students will proceed rapidly and orderly to an area designated outside the building where they will remain until the bell recalls them to the classroom.**

**Tornado drills will be signaled by verbal instructions from the office. In the case of a tornado drill, students will proceed rapidly and orderly to an area designated inside the**

building where they will assume a protective position on the floor. Students will remain in the designated area until the bell recalls them to class or until an announcement is made.

Intruder Alert and Chemical Spill procedures will be given by the way of written or verbal instructions from the office. These devices may only be used on the school yard south of the school building. They must be kept out of sight and turned off in the hallways, auditorium, gym, and classrooms. Placing a cell phone on vibrate or texting is not considered off and is prohibited.

Unauthorized use of such devices disrupts the instructional program and distracts from the learning environment. Therefore, unauthorized use is grounds for confiscation of the device by school officials, including classroom teachers. Repeated unauthorized use of such devices will lead to disciplinary action.

If a student is found in violation of this policy, discipline will be a 2nd level offense. Punishment may include, but is not limited to: Phone taken from student, Parental

<b>7<sup>th</sup> Hour</b>	<b>2:35-3:30</b>

## **Attendance Policy**

Students are subject to compulsory school attendance and truancy laws as required by the statutes of the State of Oklahoma and regulations of the State Board of Education. If a child is absent without valid excuse for four (4) or more days or parts of days within a four (4) week period or is absent without valid excuse for seven (7) or more days or parts of days within a semester, the attendance officer shall notify the parent, guardian, or custodian or the child and immediately report such absences to the district attorney in the county wherein the school is located for juvenile proceedings pursuant to Title 10 of Oklahoma Statutes. Parents will be notified by letter or in person upon their child's fourth (4<sup>th</sup>) absence, regardless of reason for absence. Parents are expected to contact the school prior to their child's absence from school. Written notes will not be accepted. The Board of Education designates all building principals and other specified employees as attendance officers for Eagletown School. It shall be the duty of each school and the District to maintain attendance records and provide attendance information to the District Court of designee. In order to pass a class, a student must miss no more than seven (7) days in a semester. If a student misses more days due to serious illness or injury, the site administrator must concur that the illness or injury is serious enough to prevent the student from attending school. The school may require a doctor's certificate to certify that any student is physically unable to attend classes. If a student transfers from another school, his absences at that school count toward the total of seven (7) at Eagletown.

- When it is necessary for a student to be absent he/she must have a parent call the office the morning of the absence, and give a specific reason for the absence.
- On the day the student returns to school, he/she will report directly to his/her first period teacher. The student will be given one day for each day missed to make up work (only on assignments that are assigned on the day of the absence). It is the responsibility of the student to make up work at home. It is also the responsibility of the student to make arrangements for make-up work and for school sponsored activity absences.
- Students who are absent because of school activity will not have the absence counted against the total number of absences unless the student is absent beyond the allowed 10 yearly student activity absences.

- Students who are habitually absent are subject to have their names referred to the district attorney. Depending on the causative nature of the truancy, either the student or parent can be fined for each truant day. Students who are truant also risk having their driver's license suspended.
- Any student that leaves school without permission, or who is absent without the parents knowledge and approval, is considered truant. The student will be subject to and will face disciplinary action. A student that is truant will be given an unexcused absence. Unexcused absences are those absences which cannot be justified by reasonable cause. School work missed because of unexcused absences or truancy may not be made up for credit.

## **Tardy Policy**

Students are expected to be on time to all classes. Students who are not in the classroom before the tardy bell rings will be considered tardy and should be reported to the office on the absentee slip. When a student enters class late it causes disruption of the class both for the teacher and the students, and interferes with the ongoing educational process.

Three incidents of tardiness to a class will be considered equal to one absence. Tardiness of 15 minutes or more to a class will be considered an absence. If a student comes on campus after 7:50 a.m., they are to report to the office. All tardies will result in noon detention unless there is a valid reason.

## **Student Transfers/Dependent Schools**

Students are also required to be legal residents of the Eagletown School District or to have on file the necessary transfer forms. Students who have attended dependent school districts are also required to complete transfer forms.

## **Sexual Harassment**

Sexual harassment by an individual under jurisdiction of the Eagletown Public Schools is expressly prohibited. Persons determined to have engaged in sexual harassment of any kind shall subject to disciplinary sanctions, which may include dismissal of an employee or student.

Sexual harassment is behavior which is not welcome, which is personally offensive, which debilitates morale and which therefore interferes with the work and/or learning effectiveness of its victims.

Good grooming is more than just for appearance sake; it denotes your way of life. Good standards of dress and appearance reflect good judgment, poise, maturity, pride, and self-respect. For this reason the school takes an interest in your appearance and feels that proper dress is an important part of your education.**

**Realizing that it is preferable to set dress guidelines of a general nature, we base our guidelines on consideration of student health, safety, and/or orderly conduct of school business. We wish to recognize fashion without sacrificing decency, safety, and general good taste.**

**All students are required to conform to the dress guidelines while on school premises or during a school function or event.**

- **Hair must be clean, neat and well-groomed. Extreme hairstyles and/or color of hair that disrupt the educational process or endanger the health and safety of students are not permitted. The use of hand signals, graffiti, or the presence of any apparel, jewelry, accessory, or manner of grooming which by virtue of its color, arrangement, trademark, symbol, or any other attribute, which indicates or implies membership or affiliation with a gang, presents a clear and present danger to the school environment and educational objectives of the community and is forbidden.**
